MANAGING DIRECTOR'S MESSAGE

Dear Valued Customers,

I am thrilled to welcome you to our corporate profile. As the Managing Director, I am proud to share with you the essence of our brand and the values that guide us in everything we do.

At NBC, we understand that every event is unique and requires a bespoke culinary experience that is tailored to our clients' needs. We take pride in our ability to provide exceptional cuisines that are expertly prepared using only the finest ingredients sourced from local markets. Our team of talented chefs bring with them years of experience, passion, and creativity, ensuring that every dish is a masterpiece

We also place great emphasis on delivering impeccable service to our clients. Our team of experienced event planners and waiting staff are dedicated to ensuring that every aspect of your event is executed flawlessly. From the first consultation to the last course, we are committed to delivering exceptional service that exceeds your expectations.

At NBC, we strive to be environmentally conscious and to contribute positively to the communities we serve. We use sustainable and eco-friendly practices wherever possible, and we actively support local charities and organizations through various initiatives.

Thank you for considering NBC Catering for your next event. We are excited to have the opportunity to work with you and to create a memorable culinary experience that will exceed your expectations.

Sincerely,

Samuel D. Wasswa

SCHOOLS CATERING

“Providing fresh, wholesome and delicious food for young palettes”

Our aim is to deliver exciting menus that provide children with a well-balanced meal that meets or exceeds the required nutritional standards for good health.

At NBC, we understand that delicious, healthy lunches can enhance the learning environment for students. Working closely with nutritionists, we offer and provide freshly prepared, healthy, nutritious and tasty meals using locally sourced fresh produce.

Our guiding principles on school meals:

- We start with tastes that children like.
- All our food is cooked using the freshest of natural ingredients
- We offer a wide variety of healthy choices within each meal that appeal to a younger palette
- We accommodate all dietary concerns
- We focus on delicious balanced meals that limits excess fat intake.
- We teach children on healthy eating habits that they can also take home with them.

We are dedicated to executing your school's food needs with utmost professionalism.
